Thank you for purchasing my pattern! I hope you will enjoy making it as much as I did. I have invested a lot of time in creating this pattern, writing the instructions and making this PDF guide as clear as possible.

My patterns are for personal use and you can also sell your finished product as an independent crafter. But please do not forget to credit me as the designer. Please don't share, reproduce, and sell this pattern. Feel free to make as many as you would like for yourself or give as a gift. If you have any questions, just ask me by e-mail emmacrochetdesign4u@gmail.com or you can send me messages through etsy and craftsly too. Thanks a lot for your likes.
